

2006 Election School

“Welcome to the Election School!”

“Let me first offer my thanks to you for being a precinct worker. Without you it would be impossible to conduct free and fair elections in our state. Your responsibility is great.

“I know that many precinct workers question whether they can properly perform all that is required of them and follow each one of the election laws and rules. Fear not!

“The Election School will train you in the duties and materials which you will encounter on election day. This training along with an overriding desire to treat all voters evenly and fairly will insure that your day as a precinct worker is a success!

“Whether it be in our personal or professional life, guiding principles can help us to be effective. The Election Center (an organization for support of election officials) has developed the following principles to assist those of us who conduct elections. I hope you find them as meaningful as I have.”

Chris Nelson

Secretary of State

Principles of Elections/Registration Officials

We subscribe to these Principles:

- Freedom is an inherent human right, but it is also fragile and can be lost through neglect or misuse.
- Freedom requires responsibility.
- Freedom can best be maintained and nurtured through the democratic process. The success of the democratic process requires fair and open elections which accurately reflect the intent of the electorate.
- Therefore, it is our unique role as elections officials to serve as the gatekeepers of Democracy.

It is our sacred honor to protect and promote public trust and confidence by our conduct of accurate and fair elections.

As the public's guardians of freedom within a democratic society, we are responsible for the integrity of the process. Our role demands that these principles must be placed above personal or partisan gain.

Nurturing and protecting Democracy is a team effort in the profession of elections administration. Our task requires wisdom, courage and the desire to remain focused on our vision of free and impartial elections despite changes in our society and its laws.

By dedicated adherence to these Principles and Standards of Conduct, we demonstrate our loyalty to freedom, pride in our profession and a commitment to the excellence of the democratic process.

Essential Information

The following information is considered the essential knowledge which all precinct workers should have. If you have questions regarding any of this information, please ask whoever is in charge of your election (county auditor, municipal finance officer or school business manager). It is their responsibility to provide you with precinct worker training.

Throughout this presentation there will be page numbers listed. Additional information on the topic at hand can be found on those pages in the *South Dakota Election Day Precinct Manual 2006*. This manual should be at your polling place on election day.

Be sure to review a sample ballot prior to the election so you are familiar with its content.

Your county auditor may show you *The Ten Commandments of Communicating with People with Disabilities* video which will assist you in helping any voters with physical disabilities.

Poll Worker Conduct

Professional - You are conducting the most essential element of our democracy. Work and act accordingly.

On time - Arrive at the polling place at the time provided.

Leave “partisan” leanings at the door - All of us have our favorite candidate or position on a ballot question. That’s OK. When you are an election official, however, none of your personal preferences can show while you are working.

Treat every voter fairly and with respect - Nothing shakes a voter’s confidence in the integrity of the election more than when a precinct worker treats them or their ballot unfairly.

Work as a team - Your work will be more enjoyable and the voters will be better served.

Poll Hours

- All elections: 7:00am to 7:00pm legal time
- Be sure the polling place clock is set to the correct time!
- Emergency extension of the poll hours is allowed in the event of an emergency. This must be authorized by the person in charge of the election.
- The opening of the polls can be postponed for one week if the governing body of your jurisdiction determines that the weather makes it impossible to open the polls. (SDCL 12-2-4)
- Voters waiting in line at 7:00pm are allowed to vote.
- Precinct workers may not leave polling place while polls are open.
- Page 4.

Poll Worker Responsibilities

Precinct Superintendent

- ▮ In charge of the polling place
- ▮ Designates election board duties to each election worker
- ▮ Duties would include:
 - Registration list
 - Poll book
 - Stamping ballots
 - Handing out ballots
 - Observing returned ballots for a ballot stamp before they are placed in the ballot box
- ▮ If you are using the AutoMARK voter assist terminal, refer to slides 19-22 for the AutoMARK procedures.

Precinct Deputies

- ▮ Perform duties assigned by the superintendent
- ▮ Duties may rotate throughout election day if directed by the precinct superintendent
- ▮ Precinct worker in charge of the pollbook must be of a different political party than worker in charge of registration list
- ▮ Pages 9.

No Campaigning

- The importance of keeping the polling place free from advertising cannot be stressed enough.
- No campaign advertising, signs, buttons, articles of clothing or any other type of campaigning may be in the polling place or within 100 feet of the entrance to the polling place.
- Periodically view each polling booth (when empty) to make sure that no campaign materials are left there.
- Before the opening of the polls and throughout election day the 100 foot area surrounding the entrance to the polling place must be checked to be sure it is free of campaign materials.
- If any campaign materials are found they should be removed. If some person is campaigning or wearing campaign advertising they must be stopped or asked to exit the area.

Exit polling, opinion polling and straw balloting are all prohibited in the “no campaigning” area.

A candidate who is on the ballot in your precinct may only be present long enough to cast their vote.

If anyone persists with campaign activities within the prohibited area, law enforcement should be called to deal with the situation.

Page 4.

Poll Watchers

☐ Poll watchers work for a candidate or campaign to monitor activity at the polling place.

☐ Election board workers may not be poll watchers.

☐ Poll watchers must be allowed to be positioned close enough to the election worker's table so that they can see and hear what is going on but not so that they interfere in any way.

☐ Poll watchers **may** converse with the election board and look at the pollbook if it doesn't interfere with the voting process.

☐ Poll watchers **may not** campaign in any way within the polling place, touch any election supplies or control the legal actions of the election board!

☐ Provide each poll watcher with a copy of the *South Dakota Poll Watcher and Observer Guidelines* as shown on the next screen.

☐ Pages 5-6.

South Dakota Poll Watcher and Observer Guidelines

Issued by Secretary of State Chris Nelson – September 2004

South Dakota law allows poll watchers and observers to be present to observe the voting and counting activity at polling places and provides guidelines for poll watchers and observers. (SDCL 12-18-8.1, 9, 9.1)

Administrative rule 5:02:12 establishes the number of poll watchers allowed at each polling place:

- Primary – one for each candidate
- General – one for each party
 - one for each independent candidate
 - one for each slate of presidential electors
 - one for each ballot question side
- Additional poll watchers are allowed if “adequate space” permits.

Any person present at a polling place to observe who does not declare themselves to represent one of the above categories is not a poll watcher but is an observer.

Election board workers may not be poll watchers.

Poll watchers must be positioned in a location where they can plainly see and hear what is done within the polling place but may not interfere in any way.

Poll watchers and observers may converse with the election board and look at the pollbook only if it doesn't interfere with the voting process.

In the polling place or within 100 feet of the entry, poll watchers and observers MAY NOT:

- Campaign or wear buttons or clothing containing campaign information (SDCL 12-18-3)
- Solicit votes for or against any person, political party or ballot question position (SDCL 12-18-3)
- Maintain an “office or communication center” (SDCL 12-18-3)
- Interfere with a voter's free access to the polling place (SDCL 12-18-3)
- Interfere with the official actions of the election board (SDCL 12-18-9.1 and 12-26-22)
- Disrupt the administration of the polling place (SDCL 12-18-3)
- Touch any election supplies (SDCL 12-18-9.1)
- Attempt to control the legal actions of voters or the election board (SDCL 12-18-9.1)
- Use a cell phone which distracts election workers or voters (SDCL 12-18-3)
- Look into an occupied voting booth (SDCL 12-18-9.1)
- Disobey a lawful command of an election worker (SDCL 12-26-21)
- Cause a disturbance or breach of peace (SDCL 12-26-22)
- Engage in disorderly conduct such as threatening behavior or making unreasonable noise (SDCL 12-26-22 and 22-13-1)
- Advocate for or against a voter as the voter interacts with the election board (SDCL 12-18-3, 12-18-9.1, 12-18-10, 12-26-22)
- Run a system where cards or other items are exchanged with voters or other persons (SDCL 12-18-3)

The telephone at the polling place is for the use of the election board. Poll watchers and observers MAY NOT use the polling place telephone designated for the election board.

If a poll watcher or observer has a concern or question about any action occurring in the polling place, that person should bring this concern to the attention of the precinct superintendent. It is then the superintendent's responsibility to respond to that question or concern. Poll watchers and observers MAY NOT take any unilateral steps to change any action, inaction or activity occurring at the polling place. If the precinct superintendent fails to correct the questioned activity, the poll watcher or observer should contact the county auditor.

Election Day Procedures

The following pages will show you each of the activities that you will perform throughout election day. We will begin by looking at those things that must be done before the polls open, continue through election day and finish with the counting of the votes and election supply cleanup.

Prior to the opening of the polls, the Precinct Superintendent must test the AutoMARK for proper operation using the following procedure:

1. Use only the test ballots provided by the person in charge of the election which are labeled **“TEST BALLOTS”**. These will be provided in your AutoMARK Election Day Polling Place Kit.
2. Mark at least two **“TEST BALLOTS”** using the AutoMARK by selecting various candidates and ballot questions using the touchscreen, keypad and headphones.
3. When two **“TEST BALLOTS”** print properly, the AutoMARK is ready for use by voters. Store the **“TEST BALLOTS”** with your AutoMARK Election Day Polling Place Kit. **DO NOT** place the **“TEST BALLOTS”** in the ballot box.
4. If the AutoMARK does not properly mark the ballots, use the troubleshooting section found on page 89 to resolve the problem. If your troubleshooting is unsuccessful, call your County Auditor.
5. You must successfully mark two **“TEST BALLOTS”** before allowing voters to use the AutoMARK™.
6. Even if the AutoMARK test is not successfully completed, open the polls at 7:00 am. Do not allow voters to use the AutoMARK until the test is successfully completed.

3. Voter's name is not on the registration list

- Ask the voter if they are registered to vote in this precinct. If the answer is “no”, they are not allowed to vote. Have them fill out a new voter registration card so that they will be able to vote in the **next** election.
- If the answer is “yes”, contact the county auditor to verify if the voter's name was mistakenly left off the registration list. The auditor will provide one of three responses:
 - There is no record of that person registering in that precinct. The voter will not be allowed to vote a regular ballot but must be given the opportunity to vote a **provisional** ballot. Have the voter fill out a registration card so that they will be able to vote a regular ballot in the **next** election.

–The voter is registered in another precinct in this county. Send the voter to that precinct.

–We made a mistake in preparing the registration list. The voter will be allowed to vote a **regular** ballot. Before voting, the voter and precinct workers **must** complete and sign the *Emergency Voting Card*.
